- 3 **Next Meeting 9th Sept 2022**
- 4 **Car park – Speed humps to be purchased SA sending details to GD**
- 5 **Killie bridge entrance to be completed as when labour available – ON GOING**
- 6 Problems with water system – 5th Green – fixed by engineer, 1st green problem fixed by SA
thanks to Dave Dalby for phoning in with the location of the connection box
- 7 Gorse bush between 4/7th / + 8th green to be trimmed after flowering
- 8 Fairways mower causing Further problems – fire in ignition system – new mower purchased
and on site
- 9 Tees machine failed on course – engineer called to site but had to remove machine to
dealers workshop for diagnostics - ongoing
- 10 JG requires update on grants
- 11 Daisy's to be sprayed when conditions allow on going
- 12 Greens speed to be monitored by SA
- 13 Bunkers ! JG raised concerns about bunkers not being topped after a request for them to be
done so, on inspection of the 9th by SA DM + JG It was found bunker to be satisfactory,
further bunkers sampled by DM also found to be satisfactory
- 14 JG also brought up , Missing out of bounds posts, 150 yd marker on 2nd needs refitting,
broom in front of 13th Tee box
- 15 SA and DM to walk through course and determine priority of which gorse / broom in cut
down and to what height (possibility to be done by volunteers with hand saws / clippers
BUT NOT CHAIN SAWS !)
- 16 Purchase of greens iron
- 17 Maintenance week – need dates ??
Pencil tinning + top dressing
Later in winter vertidrainning with skinny tines

In future greens meetings will alternate between an evening and afternoon dates and times to be confirmed at a later date
