

## SOCIAL COMMITTEE NOTES FROM MEETING ON 31 OCTOBER

Present: Tim Capron (TC), Alison McPhillips (AMc), Paul Jackson (PJ), Jeff Potts (JP)

Apologies: Vicki Heap (VH)

The committee has been formed following the recent members' survey, one result of which was a lack of social activity in the Club.

It was agreed that we should produce a programme of events with the aim of about one per month. A number of suggestions were put forward. These will be taken forward by the allocated person.

1. A monthly quiz (TC)
2. Comedy evening (AMc)
3. Captain's programme - events for the Captain's drive-in, Captain's Day and perhaps a Captain's dinner. (JP)
4. Burn's Night supper (TC)
5. Presentation evening to have a buffet (PJ)
6. Whisky foursomes to be a mixed event with a BBQ or similar (PJ)

Also agreed that England's world cup matches be on at the Club with reduced drinks prices.

There was also discussion on bringing together the Ladies' and Gent's presentation evening into a single club evening. This would be in 2024. AMc will talk to the ladies about this.
